

**AMENDMENTS TO THE DRAWINGS**

The Examiner has objected to the drawings because “[t]he drawings must show every feature of the invention specified in the claims . . . [and] the water concentration sensor in the mixing tub must be shown.” (Office Action at 2.) The Examiner requested that the water concentration sensor in the mixing tub be shown in the drawings in figures 1 and 3. The Drawings have been amended accordingly. The applicants respectfully request that the Examiner replace figures 1 and 3 with the Replacement Sheet attached herein.
